

# *Debutant Fundraiser Women Empowerment*

**This past weekend I spoke at a Debutante Fundraiser, to roughly 60 women, across 3 generations, about Women Empowerment.**

**What it means to be a women now VS 30 years ago.**

**We spoke about the importance of living our lives with vigor and zest. A Greek word comes to mind here - Kefí - this means the spirit of joy, enthusiasm, high spirits and frenzy, in which good times and passion for life are expressed with an abundance of excitement, happiness and fun.**

**Let's all aim to live each day of our lives with Kefí**

"I had the opportunity of meeting Debbie Wheel for the first time recently, and with her infectious bubbly personality, it felt like I had known her for years."
